For the first time in history, the U.S. government has authorized a national dental insurance program for Veterans enrolled in VA healthcare and individuals enrolled in the VA's Civilian Health and Medical Program (CHAMPVA). VADIP is the best choice for your dental care. Here's why:

Affordability

- You'll receive quality dental care at a price you can afford. Premium rates will vary depending on your geographic region and the plan option you select. Visit deltadentalvadip.org for your specific program rates.

Expansive dentist network

- Delta Dental has more than 230,000 dentist locations nationwide.
- Experience maximum cost savings when you see a Delta Dental PPOSM network dentist because PPO dentists accept lower fees for covered services.

Choice in coverage

- You can decide which plan design best meets your needs: Standard, Enhanced or Comprehensive.

Easy enrollment

- Go to deltadentalvadip.org and select "Enroll Now."
- Don't have Internet access? Visit your local Veterans Affairs center to pick up an application that can be mailed to Delta Dental.
