

OFFICER'S CORNER

My name is Larry Ames and I am the commander for Castro Valley American Legion Post 649. I would like to welcome you to our new Post 649 website amlegionpost649.org and its brand new feature called, "Officer's Corner."

In the coming months I, along with the other officers of American Legion Post 649, will be writing articles that covers just about anything that's on our minds. The articles could be humorous, informational or both. We could be talking about current events, information relevant to veterans, or perhaps, telling a story about our past experience(s). We will also use this forum as a recruiting tool to invite veterans to join our post.

I'd like for you to take a look at our Post 649 website amlegionpost649.org and our *Facebook* pages to see for yourself the many things we have to offer. The Post 649 website amlegionpost649.org serves as a portal for American Legion Post 649 to provide you with our meeting schedule, highlights/dates for upcoming events and/or information on past events. We also provide contact information for all of our officers and will assist you in locating other veterans.

You can also use the Post 649 website amlegionpost649.org to connect to other veteran resource links, such as [National American Legion](#) website, or any of our sponsors - such as [Green Beans Coffee](#) or [Proud To Serve Winery](#). You can also connect to our *Facebook* page and make comments or get information to other veterans. Again, I would like to welcome everyone to the Post 649 website amlegionpost649.org or check us out on our *Facebook* page for American Legion Post 649.
