**RE: American Legion Post 649
Christmas Party – 2011**

Our Castro Valley Post is hosting a Christmas Party on December 11th – members of American Legion Post 649 and VFW Post 9601 have been invited.

As you know, the American Legion is a group of “VETERANS for VETERANS” and we have served many over the years.

We are writing you at this time because we are seeking donations for our Christmas Party. We are looking for prizes to raffle or anything else you could help with.

We know times are hard, but our soldiers do so much for us without asking for anything in return. Our goal is to throw a great party so that they know we appreciate their sacrifice.

If you have any questions, please give me a call at 510.258.9634.

Thank you and God Bless America and her Troops!
