

October Post 649 Officers Report For 2011

Hello Comrades:

For the month of October 2011. The American Legion is full of things to do. We have Fleet week for the Navy on Pier 39 in San Francisco, its posted on our web site, we are going to feed approximately seven to eight thousand people, we need volunteers.

I have been busy last month at the Minneapolis National Convention. President Obama spoke on Veteran issues. California American Legions Tenth District, which Post 649 is part of, Won Category Two National Honors by capturing first place. Post 649 had a final total of 118 %. We should be proud.

Also traveled to Vancouver, Washington for the Forty and Eight Convention. We installed Ronald Galvan as Grand Cheminot National. For those who are not familiar with the Forty and Eight organization, it is a Honor Society of the American Legion, anyone can be in it. But only by invitation of the members.

The Tenth District Honor Guard has been involved in over 100 funerals this past year, Post 649 has five members with over 600 hours alone. The others members of the team have over 1500 hours for the year. All the members of team travel at their own expense. I am proud to be member of this great team.

First Vice Commander Post 649

Bernard L. Remoaldo
