

OFFICER'S CORNER

Hello, my name is Larry Ames Commander of American Legion Post 649 in Castro Valley. Another year has past us by and it has been a very successful one. This we owe to all the post officers and members that put in the hard work to make us a successful organization. In order to be a successful organization, we need to continue with the hard work and be effective in what we do. We need to continue to work hard in recruiting new members, members that are the backbone of any organization. We need members who are willing to go that extra mile. We need members to come up with the ideas that makes this a great organization. Remember the American Legion and Post 649 are VETERANS HELPING VETERANS, and this is what we do and we do it with great pride with no questions asked.
